Experience

Danish Refugee Council (DRC)

Copenhagen, Denmark

COMMUNICATIONS INTERN, DIASPORA PROGRAMME

Mar. 2023 - Aug. 2023

- Filmed, edited, and oversaw the production of a compelling video for DRC's Ukrainian Diaspora Information Project. The video effectively showcased essential protection information developed in collaboration with partners, catering to the needs of Ukrainians on the move.
- Designed a tips sheet for Ukrainian Refugees on how to avoid human trafficking, labor exploitation, and gender based violence during migration.
- Developed case studies about successful projects led by DRC's DiPS Program (Diaspora Project Support).
- Led the creation of a dialogue with senior members of DRC to aid career development for interns and share ideas about working in the humanitarian field.
- Managed and maintained the external image of the DRC Diaspora Programme, including its website and social media platforms, ensuring consistent and engaging online presence.

Restless Development Nepal

Kathmandu, Nepal

PROGRAM/COMMUNICATIONS INTERN

Aug. 2022 - Dec. 2022

- Created a discussion on youth issues in Nepal by holding meetings with identified young people, local NGOs, and local governments.
- Developed case studies on the ways climate change effects the livelihoods of Nepali youth.
- Filmed, edited, and produced high quality videos of events to drive the visibility of youth led projects.
- Managed all of Restless Development's social media channels, posting daily updates of projects in the field and upcoming events.
- Led the development of a website, Youtube channel, and podcast series for Restless Developments local youth advocacy partner, URJAA.

Flexetail

Woburn, Massachusetts

BUILDER

Jan. 2021 - Sept. 2021

- Built and designed 'Flexetails,' fully self sustaining, custom trailer units designed as mobile retail spaces with total flexibility of use.
- Redesigned the methods for building the soffit and fascia (the roof overhang), ultimately reducing material costs and cutting the build time for this section in half.
- Aided in the unique build of a mobile harm reduction clinic for Mass General Hospital, designing and implementing an interior plan which allowed for all the necessary equipment to treat patients.

Dana Farber Cancer Institute

Boston, Massachusetts

LAB TECHNICIAN

May. 2018 - Aug. 2018

- Conducted experiments in biomedical chemistry to better understand the pathology of pediatric low grade astrocytomas (PLGAs), or childhood brain tumors.
- Worked with live cancer cells and a variety of the worlds leading equipment in cancer research.

Good Shepherd Community Hospice

Newton, Massachusetts

COMPANION

May. 2017 - Aug. 2017

- Visited hospice patients at their homes or assisted living centers, and brought them companionship during a difficult time of life.
- Worked alongside social workers and health care professionals in seeing to the needs of patients and their families.
- Served in the Pedi-Pals program, a hospice program for kids under the age of 15.

Extracurricular Activity

Hal Far Outreach

Hal Far, Malta

VOLUNTEER

Oct. 2021 - Feb. 2022

- Provided outreach to refugees coming from Africa and the Middle East, aiding their integration into Maltese society by supporting applications for asylum, providing lessons in English, helping with CV writing, and ensuring their access to food and clothing.

Music Producer and Performer

Worldwide

SENDŌ

June. 2021 - Present

- Created a brand for myself as a music producer and DJ under the name Sendō, performing live shows at a club called Next House in Copenhagen.
- Self-taught in Logic Pro, with a background in jazz piano, my music emulates the funky warmth of contemporary future house and hip hop. Please visit my SoundCloud for a taste of what I make! - <https://soundcloud.com/send0>

Community Action Network (CAN)

Ann Arbor, Michigan

MENTOR/COUNSELOR

Sept. 2017 - May. 2018

- Served as a tutor and mentor for children from under-served Washtenaw County neighborhoods in order to help make sure they have the materials, tools, space, and support to accomplish their goals and become leaders in their community.

Kids Kicking Cancer

Boston, Massachusetts

TEACHER

Oct. 2014 - Sept. 2016

- Lead instructor for the kid's karate program, teaching karate and breathing techniques to children with cancer and other terminal illnesses.
